

# MILDENHALL HIGH TOWN COUNCIL

## **FISHING REGULATIONS**

- All permit holders aged 13 years of age or older are required to be in possession of an Environment Agency rod license. When fishing at the Jubilee Field riverbank both the Council's fishing permit and the Environment Agency's rod license must be carried and presented upon request to a representative of the Council. Failure to comply may result in the angler being asked to leave the water and the matter being considered by the Council.
- Permit holders must be Mildenhall residents only.
- Fish must be released back into the water after capture. Landing nets are required equipment and must be used when landing large fish. Landing nets are to be of knotless mesh.
- The lighting of fires and the use of bottled gas appliances is forbidden at the water and the vicinity of the Jubilee Field.
- Vehicles, including motorcycles, must not be ridden or driven beyond the approved parking places. Permit holders must remain within 10 meters of their swim whilst fishing.
- No litter of any kind is to be left at or near the waterside. Permit holders shall be responsible for litter found at their swim or in its close proximity.
- Permit holders are forbidden to introduce fish to the water. No fish may be removed. Anglers are reminded of the legislation covered in the Environment Agency rod license.
- Fishing times are from dawn to dusk and no night fishing at this water.
- Fishing Site: The Jubilee Field as marked on permit.
- Permit holders must ensure that persons accompanying them to the water, whether fishing or not, observe the rules. Any infringement shall be deemed to have been committed by the holder.
- Permit holders must remove all lines from the water before leaving their swim and baits must be removed from the hooks. Any excess fishing bait must be removed from site and not dumped in the water or vicinity.
- Each individual is restricted to two rods per visit, all hooks are to be barbless and each angler to use a disgorging.
- Bank-side vegetation is not to be damaged or cut down.
- Wildlife is not to be disturbed or harmed. Please make sure no discarded fishing line is left as this can be very harmful, especially to birds.
- Serious or repeated breaches of any of these regulations may result in immediate cancellation of the permit.

- Lost or stolen fishing permits must be reported and can be replaced.
- Lost or stolen fishing permits should be reported to Mildenhall High Town Council immediately to avoid fraudulent use.
- The Council may vary the regulations, from time to time, without prior notice to permit holders.
